

TYPHOON SURIGAE

Highlights

- May 8 is World Red Cross and Red Crescent Day, celebrated annually. Jean-Henry Dunant, founder of International Committee of the Red Cross (ICRC), was born on this day in 1828. PRCS celebrated this day by posting on social media as operations were in full force with arrival of Non-Food Items (NFIs).
- Family kits that are part of Typhoon Surigae relief supplies continue to be inventoried by PRCS logistics team.
- Palau Community Action Agency (PCAA) Head-start had reached out to PRCS earlier to ensure that their students' families' homes that sustained damage were captured in Disaster Needs Assessments submitted to PRCS. PRCS has also connected with OMEKESANG, a non-government organization for persons living with disabilities, and Palau Parents Empowered (PPE), a community parent resource center that serves parents and families of children and youth with disabilities. These 3 organizations are priority for distribution of family kits because of vulnerable members in the household.
- PCAA Head-Start staff and PRCS distribution staff are working together in distributing family kits and tarps to PCAA Head-Start families with damage to their households, both in Babeldaob and Koror state.
