Red Cross Response

No. of Personnel Activated (6/18- 25/21)

Twelve volunteers (3/F, 9/M) and Four Bureau of Youth, Applied Arts & Career (BYAAC) youth employees, are assisting PRCS staff with Typhoon Surigae work in different departments such as with the support management (Administration and Finance), assisting with procurement, catering, answering phone calls and walk-ins (reception), cleaning the office, and other duties as assigned. The PRCS logistics and distribution team and disaster management team headed by the Incident Commander and Disaster Management Officer are also assisted by volunteers to help move NFIs or do other Typhoon Surigae related work.

Most of these volunteers have volunteered with PRCS in the past and are familiar with how PRCS does work during EOC.

New volunteers (including returning ones) and BYAAC youth employees attended a PRCS orientation at PRCS HQ to familiarize them with the history of PRCS, the type of work PRCS does and the seven fundamental principles PRCS follows. They were also briefed on work safety such as proper clothing and shoes, and other safety protocols. These volunteers and youth employees assist PRCS staff with Typhoon Suriage related work in different departments.
